Automatic Renewals

STARTING APRIL 2ND!

CLEVNET will implement automatic renewals of physical materials starting with items due on April 2nd. We hope this new service will be more convenient and potentially reduce overdue fines.

How will automatic renewals work?

The system will attempt to automatically renew materials one day before they are due.

Materials CANNOT be renewed if:

- Someone else has placed a hold on the item.
- The item has reached its renewal limit (renewal limits vary by library system).
- Your account is blocked due to excess fines or fees. If an item CANNOT be renewed, you will receive a courtesy due soon notice (via PHONE, EMAIL, or SMS Text) the evening before your materials are due.

Please note: This service does not apply to digital materials (i.e. Libby, hoopla, Overdrive), only physical materials.

To review and update your notification options, please visit <https://www.clevnet.org/netnotice#> for instructions.

Automatic renewals are provided as a courtesy to our wonderful patrons. Due dates may be reviewed at any time using our website clydelibrary.org or the Clevnet app!
