Enhance Your Life Today

February 2020

February is Library Lovers' Month!

February isn't just to celebrate your valentine; it is dedicated to the people who love the Library's devotion to the reading, housing, organizing, categorizing, finding, studying, and otherwise **loving** books!

Libraries provide so much more than free access to books, newspapers, magazines, music, and movies; they are crucial for a society's education, employment, enjoyment, and self-government.

Libraries are a legacy to each generation, offering the heritage of the past and the promise of the future!

Stop in at the Clyde Public Library and fill out a heart with why you love the Library, and pick up a "I Love My Library" bookmark!

On that same note ...
